Here is our slack channels conversation for first week's update.

The screenshot shows a Slack interface with a dark purple sidebar on the left and a white main content area on the right. The sidebar contains the following sections:

- Balloon Game** (with a dropdown arrow) containing **Md Sehab**.
- Threads** (with a search icon).
- Channels** (with a plus icon) containing **# game**, **# general**, and **# random**.
- + Add a channel**.
- Direct Messages** (with a plus icon) containing **Slackbot**, **Md Sehab (you)**, and **Hasanul Banna** (highlighted in blue).
- + Invite people**.
- Apps** (with a plus icon) containing **+ Install Google Drive** and **+ Add apps**.

The main content area shows a direct message conversation with **Hasanul Banna**. At the top, there is a header for **Hasanul Banna** with a star icon, an "away" status, and icons for voice call, info, settings, search, and actions. Below the header, there is a message from **Hasanul Banna** that says: "This is the very beginning of your direct message history with @Hasanul Banna". A horizontal separator labeled "Today" follows. The conversation history includes:

- Md Sehab** (8:27 PM): "Hey, Hasan how are you?"
- Hasanul Banna** (8:28 PM): "i am fine. what's about our weekly update?"
- Md Sehab** (8:28 PM): "Hmm almost done.Did you finish?"

- Md Sehab** (8:30 PM): "hmm It seems good. Ok see you in next class."
- Hasanul Banna** (8:30 PM): "OK bye for now. 🙌"

At the bottom, there is a message input field with a plus icon on the left and a "Message Hasanul Banna" placeholder. To the right of the input field, there is a watermark that says "Activate Windows Go to Settings to activate Windows." and a status icon.

Week-1 task completed.
